AMENDMENT

LCO No.: 5566

OFA Fiscal Note

No Fiscal Impact

There is no fiscal impact resulting from the amendment, which requires the Police Officer Standards and Training Council (POST) to develop best standards and practices for state and local law enforcement. The bill also requires POST and local chiefs of police to submit annual reports to the legislature regarding police pursuits. It is expected that both of these requirements can be accomplished within the Department of Emergency Services and Public Protection's (DESPP) available resources.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
