AN ACT CONCERNING MINOR REVISIONS AND ADDITIONS TO
THE EDUCATION STATUTES.

AMENDMENT

LCO No.: 5110

File Copy No.: 447

House Calendar No.: 318

OFA Fiscal Note

See Fiscal Note Details

The amendment could result in a revenue loss to the state and municipalities associated with allowing for the exemption of certain local or regional boards of education with a student population of less than 1,000 students from participation in the state's Medicaid School Based Child Health Program administered by the Department of Social Services (DSS). There are approximately 55 towns with a student population of less than 1,000 students. To the extent the cost benefit analysis described in the amendment exempts a local or regional board of education, such town would experience a savings which would offset the revenue loss.
