152 (b) A cottage food operation license may be suspended or revoked
153 by the commissioner for any violation of sections 501 to 507, inclusive,
154 of this act after a hearing conducted in accordance with chapter 54 of
155 the general statutes. A cottage food operation license may be
156 summarily suspended pending such a hearing if the commissioner has
157 reason to believe that the public health, safety or welfare imperatively
158 requires emergency action. Upon issuing a summary suspension, the
159 commissioner shall schedule a hearing to determine whether to
160 reinstate the license of the cottage food operation. Following said
161 hearing, the commissioner shall either void such suspension or order
162 revocation of the cottage food operation license. Any person or
163 business entity whose license was revoked shall not be permitted to

164 apply to the department for a new license for a period of one year from
 165 the date of decision of license revocation by the commissioner. The cost

 168 shall be borne by the applicant at such rates as the commissioner may
 169 determine. The commissioner may refuse to grant any cottage food
 170 operation license if the commissioner finds that the applicant has
 171 evidenced a pattern of noncompliance with the provisions of sections
 172 501 to 507, inclusive, of this act. Prima facie evidence of a pattern of
