**Testimony of the Judicial Branch  
Public Health Committee Public Hearing  
March 20, 2018**

**H.B. 5289, An Act Concerning the Department of Public Health's  
Recommendations Regarding the Clean Indoor Air Act**

Thank you for the opportunity to provide written testimony on behalf of the Judicial Branch regarding *H.B. 5289, An Act Concerning the Department of Public Health's Recommendations Regarding the Clean Indoor Air Act*. We would request a clarification in the bill before you.

The new Section 3(b), provides that "any area" means "the interior of the facility and the outside area within twenty-five feet of any doorway, operable window or air intake vent of the facility." To avoid confusion, we suggest that all of the sections in this bill that contain the phrase "any area" should include the clarifying language in the new Section 3(b).

Thank you for your time and attention to this matter.
