

To whom it may concern,

I am a concerned Catholic citizen, and I am testifying in opposition to H.B. 5416.
H.B. 5416 "An Act Concerning Deceptive Advertising Practices of Limited Services Pregnancy Centers"
Before the Public Health Committee ,March 20, 2018.

This deceptive practice preys on naive and innocent people who are ignorant to what these types of services do to their souls. The repercussions of limiting pregnancies, use of birth control, and abortion, are sins that outrage and sadden our Lord and savior Jesus Christ! Our lives are precious to God. We are not Gods to ourselves. Life is sacred and a gift. No one but God has a right to destroy or interfere with our existence. It is morally wrong, and this type of deceptive advertising may cause the demise of many souls. The effect will be the same on your soul as well, something I truly wish for no one. Offending our creator and mortal sin has grave, very grave consequences.

Please, I implore you to stop the passing of this bill!

Sincerely, in Christ,

Melita Ferraoilo
