

Written Testimony from Tanya Barrett

Concerning

HB 5417 An Act Concerning End-of-Life Care

March 19, 2018

I am writing today to express my support for HB 5417, An Act Concerning End-of-Life Care. I would like to have the choice to end my life if I have a terminal illness, and to have the support of a licensed medical professional to assist me.

I feel that the bill as written has adequate protections in place to ensure that no individual is forced to take his or her own life.

Please proceed with this legislation so that I and others in our great state have a choice.

Thanks for your consideration.

Sincerely,

Tanya Barrett
