

Dear Representative,

I would like to have it known that I oppose the assisted suicide bill and have my vote counted. I believe in the Sanctity of life from CONCEPTION to NATURAL death. Just because there is the means to do it, does not mean it should be done. Each breathe we take is a gift from God. People who suffer are in communion with Christ's suffering. What our world needs is more compassion towards human beings . Sometimes all it takes is for someone to listen to them, touch them. hold their hand. How about that?

Thank You, Jeanette Kovacs
