

To Whom It May Concern:

My name is Suzanne Stanners and I am testifying in opposition to H.B. 5417 "An Act Concerning End-of-Life Care".

Physician-assisted suicide is still SUICIDE. Allowing individuals to take their own lives, with or without the assistance of a physician, is antithetical to our national values (and, more importantly for many Americans, in direct opposition to their religious beliefs).

For these reasons I urge all Connecticut lawmakers to vote against H.B. 5417.

Thank you for your consideration.
