

Substitute House Bill No. 6522

Public Act No. 19-45

AN ACT CONCERNING CONTINUING MEDICAL EDUCATION IN SCREENING FOR INFLAMMATORY BREAST CANCER AND GASTROINTESTINAL CANCERS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Subsection (b) of section 20-10b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2019*):

(b) Except as otherwise provided in subsections (d), (e) and (f) of this section, a licensee applying for license renewal shall earn a minimum of fifty contact hours of continuing medical education within the preceding twenty-four-month period. Such continuing medical education shall (1) be in an area of the physician's practice; (2) reflect the professional needs of the licensee in order to meet the health care needs of the public; and (3) during the first renewal period in which continuing medical education is required and not less than once every six years thereafter, include at least one contact hour of training or education in each of the following topics: (A) Infectious diseases, including, but not limited to, acquired immune deficiency syndrome and human immunodeficiency virus, (B) risk management, including, but not limited to, [for registration periods beginning on or after October 1, 2015,] prescribing controlled substances and pain

Substitute House Bill No. 6522

management, and, for registration periods beginning on or after October 1, 2019, such risk management continuing medical education may also include screening for inflammatory breast cancer and gastrointestinal cancers, including colon, gastric, pancreatic and neuroendocrine cancers and other rare gastrointestinal tumors, (C) sexual assault, (D) domestic violence, (E) cultural competency, and (F) behavioral health, provided further that on and after January 1, 2016, such behavioral health continuing medical education may include, but not be limited to, at least two contact hours of training or education during the first renewal period in which continuing education is required and not less than once every six years thereafter, on the topic of mental health conditions common to veterans and family members of veterans, including (i) determining whether a patient is a veteran or family member of a veteran, (ii) screening for conditions such as post-traumatic stress disorder, risk of suicide, depression and grief, and (iii) suicide prevention training. For purposes of this section, qualifying continuing medical education activities include, but are not limited to, courses offered or approved by the American Medical Association, American Osteopathic Association, Connecticut Hospital Association, Connecticut State Medical Society, Connecticut Osteopathic Medical Society, county medical societies or equivalent organizations in another jurisdiction, educational offerings sponsored by a hospital or other health care institution or courses offered by a regionally accredited academic institution or a state or local health department. The commissioner, or the commissioner's designee, may grant a waiver for not more than ten contact hours of continuing medical education for a physician who: [(i)] (I) Engages in activities related to the physician's service as a member of the Connecticut Medical Examining Board, established pursuant to section 20-8a; [(ii)] (II) engages in activities related to the physician's service as a member of a medical hearing panel, pursuant to section 20-8a; or [(iii)] (III) assists the department with its duties to boards and commissions as described in section 19a-14.
