sHB 7083

AN ACT CONCERNING THE INCLUSION OF PUERTO RICAN AND LATINO STUDIES IN THE PUBLIC SCHOOL CURRICULUM.

SUMMARY

This bill adds Puerto Rican and Latino studies to the required courses of study for public schools and requires all local and regional boards of education (“boards”) to include this topic in their curriculum beginning with the 2019-20 school year.

It also:

1. makes Puerto Rican and Latino studies a one-credit requirement for high school graduation starting with the graduating class of 2023 (the current 8th grade class);
2. requires the State Department of Education (SDE), by July 1, 2020, to develop the curriculum for a one-credit course in Puerto Rican and Latino studies that will count as one credit for high school graduation; and
3. requires the State Board of Education (SBE), by July 1, 2020, to develop and adopt a model curriculum for grades kindergarten through eight that is in accordance with the required program of instruction for all schools and includes Puerto Rican and Latino studies within and among various subject matter areas.

EFFECTIVE DATE: July 1, 2019, except the provisions regarding SDE developing the one-credit course and the SBE adopting a model curriculum are effective upon passage.

§§ 1 & 2 — PUERTO RICAN AND LATINO STUDIES AS PART OF THE REQUIRED COURSES OF STUDY

The bill adds Puerto Rican and Latino studies to the required

courses of study for public schools. By law, the required courses of study include arts; language arts, including reading and writing; mathematics; physical education; science; social studies, including citizenship, economics, geography, government, and history. Also included are career education; consumer education; and health and safety, including human growth and development, nutrition, and first aid.

Under current law, SBE must assist and encourage boards to include Puerto Rican history, among a number of subjects, in their courses of study. The bill changes the reference from Puerto Rican history to Puerto Rican and Latino studies.

The bill requires all boards to include Puerto Rican and Latino studies in their curriculum beginning with the 2019-20 school year. In developing and implementing the new curriculum, the bill allows the boards to (1) use existing and appropriate public or private materials, personnel, and other resources including curriculum material that SBE must make available under the bill and (2) accept gifts, grants, and donations, including in-kind donations.

§§ 3-5 — HIGH SCHOOL GRADUATION REQUIREMENT

The bill makes Puerto Rican and Latino studies a one-credit requirement for high school graduation starting with the graduating class of 2023 (the current 8th grade class). Under the bill, the course may count towards any of the high school course requirements, which are in six categories, to reach the required 25 credits. By law, these categories include no fewer than (1) nine credits in the humanities, including civics and the arts; (2) nine credits in science, technology, engineering and mathematics; (3) one credit in physical education and wellness; (4) one credit in health and safety education; (5) one credit in world languages; and (6) a one credit mastery-based diploma assessment.

The bill also requires SDE, by July 1, 2020, to develop the curriculum for the one-credit high school graduation requirement course in Puerto Rican and Latino studies the bill requires. In

developing and implementing the course curriculum, the department may use existing and appropriate public or private materials, personnel and other resources, including the curriculum materials SDE must make available to school districts under the bill (see § 1).

By law, there are a number of ways, outside of the standard grade nine through 12 window, that a board of education may grant credits that satisfy the graduation requirements. These exceptions include (1) successful completion of a language course taken in grades six, seven, or eight, (2) successful completion of summer coursework at an accredited institution of higher education, and (3) by achieving a passing grade on an education commissioner-approved subject area proficiency exam. The bill adds to this list the successful completion of a Puerto Rican and Latino studies course as developed under the bill.

§ 6 — MODEL K-8 CURRICULUM

The bill requires SBE, by July 1, 2020, to develop and adopt a model curriculum for grades kindergarten through eight, in accordance with required courses of study for all schools and include Puerto Rican and Latino studies within and among various subject matter areas. SBE must make the model curriculum available on SDE's website.

SDE must also provide, for the 2020-21 school year and upon a local board of education's request, technical assistance and training to implement the kindergarten through grade eight curriculum.

BACKGROUND

Related Bill

sHB 7082, favorably reported by the Education Committee, makes the same required course of study, board of education curriculum requirement, and high school graduation course requirement for African-American studies.
