Education Committee

Dear Education Committee,

I am opposed to the recent bills SB 738, SB 457 and SB 874 that opens the doors to forced regionalization of Connecticut Public Schools.

My wife and I moved here for the schools and existing school quality is what keeps us here. We both work from home and I am business owner. None of these bills talk about quality of schools. It erodes the quality and character of our local schools.

As a parent and owner of an education business I have been recently asked to sit on Fine Arts and Performing Arts Curriculum Review Committee. I do not see how these bills will assist us in moving forward with our goals for our children.

I hope you will oppose SB 738, SB 457, SB 874 and any other legislation that opens the door to forced regionalization of Connecticut public schools.

Sincerely yours,

Raymond Bryant
