

As a parent of public school students, I strongly oppose SB 738, SB 457, and SB 874 and any other bill that opens the door to forced regionalization of Connecticut Public Schools.

—We moved here for the schools, and existing school quality is what keeps us here

--None of these bills include even one mention of school quality

--This erodes the quality and the character of our local schools, which erodes the quality of our town

--This would prevent people from coming to CT and is driving decisions of people to leave CT

I hope you will oppose SB 738, SB 457, SB 874, and any other legislation that opens the door to forced regionalization of Connecticut public schools.
