

To Kevin Witkos, Bill Simanski and all other CT State Senators and Reps,

On the matter of **Forced School Regionalization S.B. 738 and S.B. 457**,  
**I believe this is a very BAD idea** for the following reasons:

- 1) our town will **lose control of its schools**... a power and money grab of the big cities with failing schools
- 2) our town **money will be going to failing schools in other cities**
- 3) our children **can be Bused to other towns**.
- 4) big cities like Hartford, Bridgeport and New Haven **spend way money more per student**  
than smaller towns with very bad results!!!!
- 5) **property values with fall** in towns affected.

**If you don't think this can happen... think again!**

This is not a political party issue... this is your town issue.

**You have to fight this with all your being.**
