Subject,

Opposition to SB 738, SB 457 & SB 874

As a parent of public school students, I strongly oppose SB 738, SB 457 & SB 874
and any other bill that opens the door to forced regionalization of Connecticut Public Schools.

The existing school quality is the reason why we choose this respective town.

This bill has no clarity on the improvisation of school quality as well.

Kindly do the needful and make sure we protect the school quality.
