

March 1, 2019  
Testimony, SB-00457

Committee,

I do not support the bill before your committee. Beacon Falls is already in a regional situation and as the smaller town, we are under the thumb of the larger town. Bring back the one-man-one-vote instead of the proportional vote that is in place today and you might make the Regionalization concept workable.

Mike Krenesky, Selectman  
Town of Beacon Falls
