

To Whom It May Concern:

My husband and I are residents of Wilton, Connecticut and our children attend Wilton Public Schools. We write this letter to you today to express our OPPOSITION to SB 738, SB 457 and SB 874. We believe that these bills will ruin the quality of education in our state.

My parents moved from Norwalk to Wilton 35 years ago to provide my sisters and I with a better education. For this same reason, I chose the town of Wilton to raise my children so they can receive an exceptional education. We believe regionalization of school districts will only ruin the quality of education Connecticut students receive.

We firmly OPPOSE Senate Bill 457, Senate Bill 738 and Senate Bill 874
