To Whom it May Concern:

Please accept this document as my written response **in opposition of** the CT Education Proposed Bills, #'s 457, 738 and 874. I cannot physically attend the planned public hearing on Friday, March 1, 2019 at the CT State Capitol, but would like to express my firm resistance to the bills that are being presented and recommended by Representative Looney and others to regionalize the school districts within the state of CT.

Thank you for your willingness to voice my opposition by way of this letter and to provide a solid level of support **against** these proposals.

Most Sincerely,

Melanie E. Remillard
