

To Whom It May Concern:

As a parent and teacher of public school students, I strongly oppose SB 738, SB 457, and SB 874 and any other bill that opens the door to forced regionalization of Connecticut Public Schools.

We moved to Wilton, Connecticut for the schools and the existing quality of the school is what keeps us here. The forced regionalization erodes the quality and the character of our local schools which in return erodes the quality of our town and ultimately the state.

I hope you will oppose SB 738, SB 457, SB 874, and any other legislation that opens the door to forced regionalization of Connecticut Public Schools.

Sincerely,

Elizabeth Vazquez
