Education and Appropriations Committee

To Whom It May Concern:

In advance of the public hearing on Friday, March 1, I am writing to express my opposition of the following bill numbers: SB 738, SB 457 and SB 874). I do not approve of forced regionalization of the schools which will negatively impact our small community of Weston. With no commerce in the town and staggering property taxes, our schools are the only anchor we have to maintain property values, and is the reason the majority of families move to the town.

Please say no to school regionalization.

Sincerely,

Kristin Zovich
