

Opposition to Proposed Bill No.738

Joseph DiCristina
24 Ashford Lane
Newtown CT 06470

I am opposed to Proposed Bill No.738,AN ACT CONCERNING THE CREATION OF REGIONAL SCHOOL DISTRICTS.

Regional consolidation of school districts should be made at the discretion of the individual school district, with the decision based on town government input and voter preferences. The decision to consolidate should not be a mandate forced by the state, but should be a voluntary decision from individual school districts.
