

bill #SB738

My name is Sandra Dineen and I am writing to express my strong opposition to SB 738, the bill to force regionalization of Connecticut Public schools.

I am originally from Colombia and as a kid I never had the opportunity to attend small and good schools. I have 3 kids that are attending Wilton Public schools and the consolidation will be devastating for me and my family because this will create larger classes with poor quality.

Please don't take the opportunity away from my kids and many kids in CT, they have the right to attend small schools with good quality.

I hope you will oppose SB 738.

Thanks
