

Strongly oppose bills SB 454/738 and SB 431

We strongly oppose the above bills. My husband and I work very very hard to be able to afford to live in Wilton and send our children to Wilton schools. Fairfield county will see less families moving in and more families moving out which will further hurt the economy. There is no concrete evidence that these bills will benefit the state. Please withdraw these bills.

Thank you,

Nina Dinshaw

Wilton, CT
