

To whom It may concern:

As a parent of young children, I strongly oppose SB 738, SB 457, and SB 874 and any other bill that opens the door to forced regionalization of Connecticut Public Schools. My family's number one reason for moving to Wilton, CT was the quality of the school system. I am very concerned about the impact larger school sizes will have on my children. I hope you will oppose SB 738, SB 457, SB 874.
