

Chairmen McCrory and Sanchez, Ranking Members Berthel and McCarty, and esteemed members of the Education Committee, thank you for allowing me to submit testimony on SB 457, SB 738 and SB 874.

Please enter this brief testimony into your Committee's record and as a body take note: I encourage you to stand firmly against forced school regionalization and to leave any efforts at school regionalization solely in the hands of each individual district and its constituent taxpayers as they see fit (or not).

With thanks for your service,

Thank You

Thomas and Shellee Horner
