

To whom it may concern,

My name is Alison Jacobson and I'm a resident of Wilton, CT. I have 3 children in the Wilton school system.

**I oppose SB738, SB457 and SB874**

I moved to Wilton for the school system. I wanted to give my children the best opportunity to get a high quality education. Living in Wilton is not inexpensive and I had to make numerous sacrifices to be able to afford to live here. In the proposed Bills the only thing mentioned is cost savings – where is concern about the best interests of students?!

Without a good school system there's no reason to remain in Connecticut but of course it will be impossible to sell my home since no one will want to move here and my home value will plummet!
