Subject: SB-738, SB-457 and SB-874

To Whom It May Concern,

We are writing to express our strong opposition to proposed bills SB-738, SB-457 and SB-874 which would force regionalization of Connecticut public schools.

Our family moved to New Canaan largely for the quality education we were confident our three children would receive in the New Canaan Public School System. We are very concerned that these policies would significantly alter and degrade their educational experience. Even the consideration of these bills is causing us to reconsider whether Connecticut is the right state for our family.

I hope you will oppose SB-738, SB-457, SB-874, and any other legislation that opens the door to forced regionalization of Connecticut public schools.

Thank you,  
Phil & Julie Kim
