

Bills numbers SB 738, SB 457 and SB 874I just wanted to let you know that I am strongly opposed to the idea of forced school regionalization. I am also opposed to Governor Lamont's proposal to shift even more of the state's financial obligations to Wilton.

I am concerned about the potential degradation of our schools' educational quality, and the potential impact on our property values- with apparently no real proof that this would actually lead to cost savings.

As a Wilton resident, I am very concerned about the cumulative effect of these proposals, which if enacted, would be millions of dollars in additional obligations - likely increased property taxes, for a diminished, regionalized school system.

Please represent us properly, and make sure this does not happen.

Thank you,
Julie Ko (20 year Wilton resident)
