

To whom this may concern:

I am writing to oppose SB 874, HB 7150, SB457 and SB 738.

Local school should be managed by local community. Central management of a large school district is a proven receipt for failing schools.

State has no right to force regionalization of local school. Decision of regionalization shall be made by local residents. State shall provide incentive; cut back well-intended but mis-guided state mandates (often unfunded).

The extra mandate on homeschool families are completely unreasonable.

The proposed education budget punish well-managed efficient small town to compensate for inefficiency and bureaucracy of big cities.

Please stop all four bill within the committee.
