Re: SB457, SB738 and SB874

Chairmen McCrory and Sanchez, Ranking Members Berthel and McCarty, and esteemed members of the Education Committee, thank you for allowing me to submit testimony on SB 457, SB 738 and SB 874.

I am not in favor of the above mentioned bills. Larger school districts are not always more efficient and I am not interested in having my son be bussed to a larger town. Having smaller districts does not cost anything additional from the state budget.

I purposely just moved to small town to stay away from the influences of the larger cities so this does not appeal to me or my family.

Thank you for hearing my testimony. I am happy to answer any questions that you have.
