

Letter of Opposition to Senate Bill 738- an Act Concerning the Creation of Regional School Districts

My name is Nili Pletter and I live in Orange, CT

I am opposed to the the Bill regarding forced regionalization of the school districts. Currently Orange is part of Amity Region 5 and functioning very successfully and producing accomplished students. The Orange Elementary Schools are renowned and the basis of the high property values in Orange and the reason people move in. Disrupting the long standing system and the successful High School System will impact the culture fostered in these schools, the athletic culture and negatively impact the town.

I strongly oppose!
