

I am strongly against the consolidation concept in bills :

[Proposed Bill 457, An Act Concerning the Size of School Districts](#)

[Proposed Bill 738, An Act Concerning the Creation of Regional School Districts.](#)

We in Plainville have worked hard to have quality schools and do not want to be blended with another town. Additionally, I think the support base for public education would be greatly eroded as individuals will feel they have no say in the educational process.
