

Regarding bill numbers : SB 457, SB 738, and SB 874.

I live in Darien and we do not support this forced regionalization of schools. Darien is fiscally sound and reinvests in its school and Town, taking very little in subsidization from the State. To force us to participate is to punish towns who have been self-sufficient and responsible. I am against this action of sharing resources across towns/cities.
