

To Whom it may concern,

As a parent of public school students I strongly oppose S.B 457, S.B 738, & S.B874 and any other bill that opens the door to forced regionalization of Connecticut Public Schools. We moved here for the excellence of the public schools and existing school quality is what keeps us here. None of these aforementioned bills include even one iota of school quality. They will erode the quality and the character of our local schools, which in turn erodes the quality of our town. There is known evidence that this proposed legislation has already impacted people from moving to Connecticut or is driving decisions of people to exit Connecticut.

I hope you will take the proper steps to oppose S.B 457, S.B 738, & S.B 874 and any other legislation that opens the door to forced regionalization of Connecticut Public Schools.

Thanking you in advance
