

Dear All,

I oppose Senator Looney's bill, SB 738, to regionalize schools. I firmly believe that the quality of Wilton schools will decline dramatically as a result of regionalization.

Larger school districts, by default, incur higher costs and therefore change the quality of education that our children receive. Historically Wilton has been a town that families, including my own, have moved to specifically for the quality of the schools. Stripping schools of local control will irreversibly change the character of our town.

As a parent and resident of Wilton, CT, I feel my beliefs are both well-formed and justified.

Please join me in opposing SB 738.

Can I count on you??

Sincerely

Ena van Eck
