

Dear Sir or Madame,

Please vote no to SB-874.

I am a twelve year old boy and a proud homeschooler! Because of homeschooling, I focus on getting my school work done and I get to be with my family everyday, do new projects with my mom, dad, and sister, play games with my great-aunt, be a big help in my community, and work on the requirements needed in Boy Scouts so that I can earn Eagle Scout.

Sincerely,
Nicholas Clemence.
