To the Education Committee,

My name is Sandra Dauk and I live in Darien, CT with my husband and three children.

When looking to settle down and raise a family, our top priority in decision-making was the school system. Darien was an easy decision, as we felt the public schools meet the needs of our family and have proven year after year to be stellar in their administration, policies, faculty and staff.

Our two older children attend Tokeneke School and our youngest will join them in Kindergarten in the Fall of 2019.

This is my written testament that I OPPOSE the following bills:

SB 738

SB 557

SB 874

I am firmly against the regionalization of school districts.

Sincerely

Sandra Dauk
