

Senator McCrory, Representative Sanchez, and members of the Committee,

My name is Bryce Farrington, from Naugatuck.
I'm in third grade.

I am asking you to vote NO on sections 17 and 18 of S.B. 874.

I do not want my dad and mom to have to register at a public school office every year, because it would be harder for them to homeschool me, my sisters and brother.

We are asking you to continue to support our right to homeschool. If you pass this law it is like trying to fix something that's not broken. For example if my dad had a brand new car that did not need any work, and he tried to fix it anyway, he could end up breaking it.

Home schooling works very well.

Thank you for hearing me today!
