

Opposition to SB 738, SB 457, and SB 874.

As a parent of Wilton public school students, I strongly oppose SB 738, SB 457 and SB 874 and any other bills that open the door to forced regionalization of CT public schools.

We moved here for the schools and the existing school quality is what keeps us here. None of these bills include any mention of school quality, to erode the quality and the character of our local schools will erode the quality of our town.

The talk about this is already preventing people from coming to CT and continuing talk about this will drive people out of CT. This is going to be bad for the already declining economy of CT.

Let's stop these bills at the onset.
