

Re: Connecticut State Senate bills SB 738, SB 457 and SB 874

This letter is to urge you to vote against bill numbers SB 738, SB 457 and SB 874. As a Weston resident, I moved to the town 100% for the school district. Our tax burden is high as our commercial tax base is extremely low. These bills would severely negatively impact our schools (and town) and be fiscally unjust. I am paying a premium to have my children in the Weston schools- not because I can easily afford it, but because it is in line with my values. The taxes I pay (& how the town has decided to allocate our tax dollars), is not for the state to decide. Furthermore, these bills will negatively impact the investment that we have made in our property values.

I (along with every Weston resident I know) strongly oppose these bills.

Sincerely,
