

Ladies and Gentlemen:

My name is Rich Papscoe. I am a resident of Monroe, CT.

I am strongly opposed to SB 738 and Governor's Bill 874. The forced regionalization of local school districts only harms towns by taking the local, town voice out of the education of our children.

Do not penalize responsible well run local boards of education by forcing them to regionalize.

Thank you for your consideration.

Sincerely,

Richard Papscoe
