

The Following Message is from Mrs. Jeanne Russo, a resident of New Canaan, CT:

As the parent of 3 public school students, I strongly oppose SB 738, SB 457 and SB 874 and any other bills that open the door to forced regionalization of Connecticut Public Schools.

None of these bills mention anything about improving student performance nor have they mentioned a word about school quality.

We moved to Connecticut for the low taxes and excellent schools in New Canaan, these bills would harm the local control of the excellent schools in New Canaan.

Our property values would also be effected and we believe in turn would harm real estate interest. The Connecticut economy would be affected as well. Care and concern should be about how to bring people and business to Connecticut.

Jeanne Russo
New Canaan

I hope you will oppose the above mentioned bills and any other legislation that opens the door to forced regionalization of Connecticut Public Schools.
