As a longtime and current parent of public school students, I am writing to strongly oppose SB 738, SB 457 and SB 874, as well as any other bill relating to forced regionalization of Public Schools in Connecticut.

We moved to New Canaan for the school system and for the strong sense of community that a local school system provides. Regionalization of Connecticut public schools will most definitely jeopardize the quality of ours schools and will adversely impact our community as a whole ultimately forcing us, and others, to leave the state.

I am strongly urging you to oppose SB 738, SB 457 and SB 874 along with any other regionalization bills.

Sincerely,

Susan S. Swindell
New Canaan, CT
