

Dear Members of the Education Committee,

I'm concerned about SB 874 - AN ACT CONCERNING EDUCATION INITIATIVES AND SERVICES IN CONNECTICUT.

These 2 sections in particular:

Sec. 17. Section 10-184

Sec. 18. Section 10-1600

I strongly OPPOSE them. Having parents register? For what purpose? This is infringing on parental rights and gross overreach. Connecticut homeschoolers have done just fine with their freedom. These sections need to be stricken from the bill.

Thank you.

Sincerely,

Susan Toth
