

SB 457, SB 738, and SB 874

Chairmen McCrory and Sanchez, Ranking Members Berthel and McCarty, and esteemed members of the Education Committee, thank you for allowing me to submit testimony on SB 457, SB 738 and SB 874.

My name is William Tsoi, I moved to Wilton with my wife 5 years old and purchased a home and started my family. We moved to Wilton because of high quality school system the town has. These three proposals that force regionalization or combine school administrators threaten the very fabric of Wilton's education system and will ultimately destroy property value and force many young families like ours to move out of CT and to a state where we have control to provide our kids with the best education we can afford. Please consider rejecting the proposal and let each town decide what's best for their kids.

Thank you again for hearing my testimony. I'm happy to answer any questions you may have.
