

Dear officers,

I'm writing to express my strong opposition to SB 738, SB 457 and SB 874. Reasons being:

1. These proposed bills will downgrade the education quality in Wilton, CT. The schools is the sole reason that we chose to move to Wilton and the existing school quality is what keeps us here.
2. Quite a few studies are out there to show that the proposed bills won't ultimately save money given the costs of combing resources.
3. None of these bills have mentioned the impact on education/school quality as a result. As a parent, to be frank, this is a major concern of mine.

Again, please help oppose SB 738, SB 457 and SB 874 to protect our town, our education and our economy.

Best,

Kun Wang

From the Town of Wilton
