Edward Waters
Wilton, CT

As a resident of Wilton, I am extremely concerned for my property value. If you redistrict, I will be forced to move.

I take on great stress to afford my property.

I'm 78 years old and I've lived in CT since I was 30. This is not the state I raised my family in. The leadership in CT is strangling its people and its businesses.

I am fully informed on what redistricting means. It is not limited to administrative. Democrats have destroyed Connecticut.

If you redistrict, I will move.
