

## **Bill Numbers SB-738, SB-457 and SB-874**

I am adamantly opposed to any interference by the state in the prerogatives of towns and villages throughout CT. The right of determining the education of our children is one of our local rights and not to be usurped by Hartford!

Thus I am strongly opposed to the bills being forwarded (or floated) by Senator Looney ([SB-738](#)), by Senator Duff ([SB-457](#)), and now by Governor Lamont ([SB-874](#)) to consolidate (or study the consolidation) – forced or voluntary - our schools and I urge you to kill **all** of these ill-conceived bills before it is too late and CT sinks deeper into the abyss.

If, contrary to the voter's wishes, the bills are not killed and the citizens concerns are simply ignored, I will never, ever vote for any Democrat again as long as I live and will move of CT at the earliest possible opportunity.

Respectfully,
