Good afternoon Sen. McCrory, Rep. Sanchez, and members of the Education Committee. My name is Gemma Cammacho, and I live in Middletown.

I am honored to be presenting testimony on the issue of S.B. No. 934 AN ACT EXPANDING ELIGIBILITY IN THE CARE4KIDS PROGRAM TO PARENTS ENROLLED IN OTHER TYPES OF SCHOOL.

This is an issue that is very important to me. I am an ESL student at Middletown Adult Education and In their Even Start dual generational program. When my English is better I will move into the high school program. When I complete this I would like to continue with my education. I will not be able to do this without Care for Kids paying for childcare while I attend school.

It is important to get an education in order to make more money to support a family.

This is an issue that will impact the educational well-being and future of Connecticut's young children, and requires immediate action. The community will be a better place with more families with higher education and financial support.

I appreciate the opportunity to testify about S.B. No. 934 AN ACT EXPANDING ELIGIBILITY IN THE CARE4KIDS PROGRAM TO PARENTS ENROLLED IN OTHER TYPES OF SCHOOL. Thank you for your consideration.
