Good afternoon Sen. McCrory, Rep. Sanchez, and members of the Education Committee. My name is Silvia Sancho, and I live in Middletown.

I am honored to be presenting testimony on the issue of S.B. No. 934 AN ACT EXPANDING ELIGIBILITY IN THE CARE4KIDS PROGRAM TO PARENTS ENROLLED IN OTHER TYPES OF SCHOOL.

This is an issue that is very important to me. I am currently in the Middletown Adult Education ESL program as well as their Even Start program. It is difficult for me to find work with my limited English skills. I am trying to continue my education/training while working on my English. Care for Kids would help me because I would be able to attend the Middlesex Community College ESL program as well.

I can not support my daughter without English skills and increased training to make more money.

This is an issue that will impact the educational well-being and future of Connecticut's young children, and requires immediate action. Parents would be able to work with this child care.

I appreciate the opportunity to testify about S.B. No. 934 AN ACT EXPANDING ELIGIBILITY IN THE CARE4KIDS PROGRAM TO PARENTS ENROLLED IN OTHER TYPES OF SCHOOL. Thank you for your consideration.
