Good afternoon Sen. McCrory, Rep. Sanchez, and members of the Education Committee. My name is jessica harvey, and I live in stratford.

I am honored to be presenting testimony on the issue of S.B. No. 937 AN ACT CONCERNING A STUDENT LOAN FORGIVENESS PROGRAM FOR EARLY CHILDHOOD EDUCATORS.

This is an issue that is very important to me. As a parent and as an early childhood educator the cost of living is expensive and having the loan forgiveness would be very beneficial to me since I am struggling to make ends meet.

This particular policy change is needed because parents who are also in the field as early childhood educators who are still continuing school can benefit from this tremendously.

This is an issue that will impact the educational well-being and future of Connecticut's young children, and requires immediate action. because it will give the parents as well as educators and children the opportunity to finish their education without worrying to pay the loans.

I appreciate the opportunity to testify about S.B. No. 937 AN ACT CONCERNING A STUDENT LOAN FORGIVENESS PROGRAM FOR EARLY CHILDHOOD EDUCATORS.  
Thank you for your consideration.
